The screenshot shows the SC TRAC Student interface. At the top, there are navigation tabs for SC TRAC, Student, Faculty & Advisors, Administrators, About SC TRAC, and Contact Us. The user is logged in as 'Doug Fictional'. The main content area features a banner with the text 'Stay on Track with SC TRAC!' and a watch image. Below the banner, there are buttons for 'Add courses manually', 'Import your courses from your institution', and 'Find Transfer Institutions'. An 'OR' separator is followed by a button for 'Add standardized test scores manually'. A table titled 'York Technical College' displays the user's course history with columns for Year Term, Course Title, Credits, and Grade. The table lists five courses from 2008 Fall to 2010 Fall. At the bottom of the table, it shows 'Courses: 5 Credits: 9.00' and 'Total Courses: 5 Total Credits: 9.00'. A left sidebar contains various account and quick link options.
