

Getting Started/News/Missing Content

- If you don't know how to get started, check the following possibilities:
 - Read the News (center of your home screen).
 - If you see "No items found" on your home screen, this does not mean you don't have anything in the course. It simply means the instructor hasn't posted a News item.
 - If you click on Content and nothing is there, read the News to see what you should do first. Many instructors release the Content of their courses only after you have taken a quiz, posted a discussion item, or submitted an item in a Dropbox. After doing the exercise, the Content is released.
