A **co-requisite** is a course that must be taken the same semester as, or completed in a previous semester before, another specified course.

A **pre-requisite** is a course that must be completed in order to enter another specified course.

\*Courses in this program that require a minimum grade of “C.”

# Hours may exceed minimum required depending on course selection.

No courses may be used to fulfill a requirement in more than one area. All courses must be completed with a minimum grade of “C” to achieve transferability. Transferability is dependent on the major and/or senior college/university selected by the student. Each student should work with his/her assigned college/university transfer advisor and senior college/university in making course selections.

Select courses from each category below to complete the degree requirements. Consult the college catalog for course descriptions, credit hours, pre-requisites, and co-requisites.
