A **co-requisite** is a course that must be taken the same semester as, or completed in a previous semester before, another specified course.

A **pre-requisite** is a course that must be completed in order to enter another specified course.

* Courses in this program that require a minimum grade of “C.”

@ Courses are listed at the end of the document according to the area listed.

Hours may exceed minimum required depending on course selection.

No courses may be used to fulfill a requirement in more than one area. All courses must be completed with a minimum grade of “C” to achieve transferability. Transferability is dependent on the major and/or senior college/university selected by the student. Each student should work with his/her assigned college/university transfer advisor and senior college/university in making course selections.

A **co-requisite** is a course that must be taken the same semester as, or completed in a previous semester before, another specified course.

A **pre-requisite** is a course that must be completed in order to enter another specified course.

* Courses in this program that require a minimum grade of “C.”

@ Courses are listed at the end of the document according to the area listed.

Hours may exceed minimum required depending on course selection.

No courses may be used to fulfill a requirement in more than one area. All courses must be completed with a minimum grade of “C” to achieve transferability. Transferability is dependent on the major and/or senior college/university selected by the student. Each student should work with his/her assigned college/university transfer advisor and senior college/university in making course selections.
