

YTC-20-KIM Pedestrian Lighting Request for Quotes

Specifications for new Kim lighting to match existing poles and bulbs as specified below. York Technical College will install the lighting. For consistency with current lighting, no substitutions or comparable equivalents will be accepted. Quote only as specified. Pricing must include shipping charges. Do not include sales tax.

Actual delivery schedule is to be coordinated with and directed by the College's Facilities Department staff. Contractor may be required to store equipment at their expense until approved to deliver items specified.
