PROJECT DESCRIPTION:

York Technical College (YTC) is seeking quotes from authorized, responsive and responsible offerors for welding supplies. YTC reserves the right to purchase quantities as necessary at the quoted price within one year of contract award.

Offerors must complete the quote form below and submit by 12:00 PM March 18, 2022. Award will be made to the lowest, responsible and responsive offeror.

11-35-2050 – Any term or condition in any contract that requires the State to defend, indemnify, or hold harmless another person must be void ab initio unless the term is expressly authorized by law. All contracts are governed by South Carolina Law. Contracts containing such terms are otherwise enforceable as if it did not contain such term.

1. Q. Opening Date correction is Friday, March 18, 2022.
2. Q. On the tig consumables, what size?
A. *Sizes are listed with the original quote, prices should be per lb.*
3. Q. For the shipping, are you asking for the cost of each individual item or this complete order as a whole?
A. *Shipping charges will vary. Some orders will be individual items and others may be in bulk.*
4. Q. .035 Er70s-6 spool – what size spool?
A. *12in diameter or 33 lb spool*
5. Q. Tig Torch bodies – What series tig torch?
A. *Both 17 and 26 series*
6. Q. Gas welding tips – Acetylene/Propane - What size?
A. *Acetylene tips only and size 0*
7. Q. Cut-off wheels – What size disk? With or without hub?
A. *4 1/2” without hub*
8. Q. 80 grit grinding discs – What size disk? With or without hub?
A. *4 1/2” with hub*
