**Financial Aid Appeals MUST be received at the Financial Aid Office at least 2 days prior to the start of the first scheduled class for the next term. Late appeals will NOT be reviewed until the following term.**

## **Appeal Decisions**

We will review your appeal and notify you by email of its status. You will receive either our decision to grant your appeal, deny your appeal, or a request for additional documentation. If we grant your appeal, we will place you on financial aid probation.

A decision to grant your appeal will include the following requirements:

1. Earn credit in all attempted classes that you are registered for. This means you cannot have any withdrawals (i.e. "W" or "WF"), incompletes or "F" grades.
2. Achieve a semester GPA of at least a 2.0.

**Note:** Your appeal may become invalid if the Financial Aid Office determines at any point that it is not mathematically possible for you to complete your program of study within the required time frame.

At the end of each semester the Financial Aid Office will evaluate your completion of these conditions. Students who fail to meet the outline requirements will not qualify for future assistance.

If your appeal is granted, the information in this document will represent a contract between you, the student, and the Financial Aid Office. Therefore, you must read, sign and return this agreement to the Financial Aid Office before your financial aid will be processed.
