

**Transfer Plan through the Associate Degree in Early Care and Education at
Midlands Technical College
To the BA in Early Childhood Education at the University of South Carolina**

In order to receive transfer credit, students must do the following:

1. Complete the approved Early Care and Education Associate Degree that includes specific courses identified by this agreement.
2. Earn no less than a grade of C in any course.
3. Meet with a USC advisor before enrolling in coursework at USC. (Recommended as soon as possible following Associate Degree completion.)
4. Complete additional general education courses (see below) either before or after transferring to USC. These courses may be completed at either USC or the regional technical college.
5. Students entering into the Early Childhood Education program at USC will be subject to the requirements specified in the catalog that is current at the time of their matriculation into the program currently including the submission of a passing score on the Praxis I or SAT or ACT examinations by July 15th prior to entry into USC.

**Associate Degree in Early Care and Education
(Must take ALL ECD classes below to transfer)**
