This list does not include every York Technical College course that is available for university transfer. This is a suggested schedule for students who would like to transfer to Winthrop University's Elementary Education program. Students must receive a grade of C or higher in a course in order to be considered for transfer credit. For a full list of transfer courses, visit www.sctrac.org

*York Technical College students must meet all the requirements for admission to Winthrop University and must be accepted through the Office of Admissions. Consult Winthrop University for specific entrance requirements. For more information about transferring to Winthrop, visit: <http://www.winthrop.edu/admissions/transfers/>
